

From Pastor Doug...

"Summer time and the livin' is easy," is a line from a 1968 song called Summertime recorded by Ella Fitzgerald. Summer is a more relaxed time for most of us as all of the regular year-long activities take a break. We looked at movies a few summers ago to see what the message was in them that we could apply to faith. This summer, our sermon series will be based on messages in some of the classic rock songs that many of us grew up with. If you were in church on June 23rd, we looked at "Peace of Mind" by Boston. The messages starting the first Sunday in July will be similar to that one. Hopefully we will be able to have some fun as we worship together and maybe, when you hear the songs after the message, you'll remember what we learned.

I hope to see all of you in church this summer. If you are travelling and think to bring back a bulletin, I am always glad to see what others are doing! Have a great summer!!

Thank you to everyone who contributed items for the Military Support Group of NJ during the month of May. Although we have designated the month of May as our collection month, we will accept items all year long and see that they are taken to MSGNJ. There will be a collection box in the JUG classroom. Thank you for your help and support with this worthy cause – a way to show our appreciation to those who serve our country and their families.
